Subject: REQUEST for PUBLIC HEARING ON LAHAINA WASTEWATER
INJECTION WELL PERMIT

Aloha,

I am a Maui resident requesting further public hearings for the Lahaina Wastewater Injection Well Permit. I oppose the granting of the ten-year permit unless additional conditions are placed it, as set forth in the letter of the DIRE Coalition to EPA. (View the letter here: http://dontinject.org/?page_id=155)

DIRE has identified a range of newly identified issues and concerns related to the well. They will present these at the aforementioned public hearing.

Mahalo,
